Originating from the Chicagoland area is a unique, family-owned shop that has captured the hearts of many folks within the Venice community. Established in June 2019, Traditional European Deli & Market has become sought after for its rich supply of authentic Chicago and European meats, cheeses, breads, pastries, pierogis, and an assortment of diverse products.

Brothers Mark and Chris Pilny enjoy bringing Venice a variety of items including their most popular fresh Kiszka-Barley and Polish smoked sausages like homemade garlic, traditional, wedding, hunter, cherry-smoked, and grilling, as well as Kabanos pork sticks. Rediscover the classic taste of Bacon, Ham, Liverwurst, Pork-Goose Pâté, and Smoked Raw Pork Tenderloin. Also added to the shelves are new items, Original and Smoked Liver Sausage. Each of these select meats pairs perfectly with a delectable assortment of Polish cheese like Salami; Krolewski, a King Swiss cheese; or Edam Rycki, a savory baby Swiss. For dinner, drop in for a pork cabbage roll. Each of these traditional entrees adds a satisfying touch to a wholesome meal.

At this local market, customers are thrilled to discover a location where their favorite European food items are available in a variety of sorts. Given the store's wide selection, friendly atmosphere, and dedicated customer service, it's no wonder that it has built a word-of-mouth reputation that continues to grow as its loyal patrons let their loved ones and friends know about this one-of-a-kind store.

In June, the family business celebrated its fifth anniversary. Chris and Mark extend their greatest appreciation to each and every customer who has made it possible, stating, "We are truly grateful and want to thank the people who come to shop at Traditional European Deli. We enjoy getting to know our visitors and providing them with an authentic European experience, all while becoming part of the great community here."

From butters and jams to various style pierogis, everything you need to enhance your next breakfast, lunch, and dinner is available at this one-stop shop. On your next grocery trip, swing in and uncover the delicious treasures that await inside this little hidden gem of paradise.
