Looking for a laid-back spot that combines a fun tiki vibe with a top-notch menu? Look no further than Paradise Grill. Located just off US-41 in Nokomis, Paradise Grill is more than just a restaurant; it's a welcoming retreat where you can unwind, savor delicious food, and soak up the warm friendly atmosphere.

From the moment you step through the doors, you'll be greeted with the warmth and hospitality that has made Paradise Grill a beloved destination. Owner Mary Beth, a seasoned veteran of the restaurant industry with over 40 years of experience, has poured her heart and soul into creating a space where people can come together, enjoy great cocktails and food, and experience live music in a comfortable, tiki-inspired setting.

Mary Beth's journey in the restaurant world began when she opened her first establishment in Lansing, Michigan at the young age of 21. After moving to Florida in 2002, she continued her culinary adventures with catering and other restaurant ventures. In 2016, her dream of creating a perfect gathering spot came to life with the opening of Paradise Grill. Since then, the restaurant has earned a loyal following not only for its fantastic food and exceptional service, but also for its unbeatable prices.

The magic of Paradise Grill extends to the kitchen, where skilled chefs craft mouthwatering dishes using the freshest, highest quality ingredients. Committed to a true farm-to-table experience, they partner with local Florida farmers to ensure their vegetables are as fresh as possible. Nearly everything on the menu is made in-house, from the soups and sauces to the dressings, reflecting their dedication to quality.

Seafood lovers will rejoice at the wild-caught selections like salmon, shrimp, trout, and tuna, delivered fresh daily to ensure every bite bursts with authentic flavor. Meat enthusiasts will appreciate the hand-cut premium meats, prepared to perfection, especially on Prime Rib nights every Friday and Saturday. Additionally, if you're looking for a great deal, don't miss their weekly lunch specials, where you can enjoy delicious dishes for \$10 or less.

Live music is a staple at Paradise Grill, with performances every night at 6 p.m., except during football season when Sundays are reserved for sports fans. Offering bar food and drink specials on game days, Paradise Grill turns into the ultimate spot to catch the game with friends.

Paradise Grill is more than just a business; it's a family affair. Mary Beth's daughter, Katherine, has been by her side since she was 13, working her way up from hostess to office manager.

Whether you're a local or just passing through, Paradise Grill invites you to join their ever-growing family. Come for the food, stay for the music, and leave with memories of a place where everyone feels at home.
