

Design & Style

A garland of foil shamrocks nestled between a plate and charger adds a festive touch to your St. Patrick's Day table. Snip a few clovers from the strand to sprinkle in front of the place setting, then position a petite leprechaun hat on top of a napkin. For a wee bit of fun, hide a cute Irish surprise like a shamrock ring under each hat for your guests to enjoy.

Connections For Seniors®

Not Your Ordinary Home Care Agency

Halyna Kovalyshin, Owner

Recuperative Care • Special Needs • Shopping
In-Home Assisted living • Companionship
