ON Venice Island, Bar Harbor Cheesecake Company, a sweet haven that emerged in the fall of 2023, took Venice by storm. The aftermath of Ian that had long been on everyone's mind, had now been replaced with the excitement of sweet and savory cheesecakes, fine chocolate, and hospitality galore.

A storm of another kind had found its way to 219 Miami Avenue, this time, creating a gathering place among the shop owners and the Venice community alike. This storm was one that brought comfort from another time, another place; to the many who lived here, offering a promise to the palates of those in need of the delicious comforts of home.

Peace, calmness and hope engulfed the cozy Cheesecake shop with its delicious offerings, finding its rightful place among the Venice community. By the year's end, their delicious cheesecake had brought great joy through the holidays being served on a multitude of tables where family and friends shared the deliciousness of good food, wine, desserts, and the sweet memories of togetherness. And by the new year, "Season" had begun on Venice Island. Snowbirds arrived already hearing about us and rushing to our door... Cheesecake flowed.

Now nestled among the Miami Avenue family in downtown Venice Island, indulgence meets artistry. The owner-driven establishment opened its third location at 219 Miami Avenue West as an express cheesecake and chocolate gallery, compared to its original first location as a full restaurant in Bar Harbor, Maine in 2019. The owners who are proud to be a part of this community say that "Venice", another charming city near the water's edge, "feels like home." They continue to mold their experience around their customers, recognizing them as an integral part of their journey. The result is a commitment to simple elegance and a merging of love of the palate with the passion of the heart.

Bar Harbor Cheesecake Company prides itself on being more than just a cheesecake shop. It's a taste-bud explosion, delivering throughout the year over 140 cheesecake flavors, including 16 savory flavors such as King Crab, Buffalo Chicken, Jalapeño Bacon and Maine "Lobstah". This unique approach to cheesecake offers the palate a

new way to experience food and has many coming to Venice Island from all parts of Florida. Visitors from Ocala, Tampa, Sarasota, Naples and even Miami are loving what we offer them here in the small island community of Venice Florida.

Each flavor speaks for itself, all made with natural and fresh ingredients that are sure to change your view of cheesecake. The menu is a symphony of flavors with the "Top 10" cheesecake varieties leading the melody: Classic New York, Key Lime, Florida Orange Dream, Lemon Chiffon, Peanut Butter Chocolate, Salted Caramel, Coconut Cream, Cannoli, Triple Chocolate Chunk, and Dark Chocolate Raspberry.

Crafted in French style, these cheesecakes are a testament to perfection with minimal sugar and a delicate balance of eggs for a light and airy texture. Additionally, no flour is added to the recipe except for in the graham cracker crust and in various toppings, however, some flavors are available with a crustless option (Bar Harbor Cheesecake is not a gluten-free facility). The commitment

to quality extends to their chocolate cheesecakes, made with the finest Swiss and Belgian chocolate — devoid of additional sugars or artificial sweeteners. Signature creations like the Dark Chocolate Royale, White Chocolate Royale, Venice Italian Cream, and the delicious Basque Castile Cheesecake elevate the dessert experience to new heights.

This year's Christmas flavors include Cherry Amaretto Tiramisu, Christmas Cookie, Christmas Wassail (Christmas in your mouth), Eggnog, Gingerbread, Dark Chocolate Peppermint Bark, Dark Chocolate Orange Truffle, German Chocolate Cake, Red Velvet,

White Chocolate Candy Cane, White Chocolate Cranberry Orange, White Chocolate Pumpkin Praline and The Nutcracker-Oh, the King of all Cheesecakes!

At Bar Harbor Cheesecake Company — every bite is a celebration of life's finer moments. We Invite you into the spirit of Christmas and beyond!
