Meet Realtor Lisa Marie Zambuto, an agent committed to providing the utmost in customer service. "Selling or purchasing a home is one of the most personal things we do," she shares, "so I invite my clients to call me Lisa. I want them to feel comfortable asking me their questions about the process, knowing that I will listen, discuss, and review what their needs are. From there, I will work hard to achieve the best possible result for all involved."

Focusing her attention on Venice Golf and Country Club (VGCC) was another highly personal decision for Lisa Marie. She has enjoyed living in Florida for 24 years and has called The Venice Golf and Country Club (VGCC) community home for over 14 years. "While my team and I sell Sarasota, Charlotte, and parts of Lee counties, this is where I live and where my heart remains," she shares. "A

client once made a statement to me about her experience with VGCC that sunk to my very own bones and back. It's the same sentiment that I hear whenever I've asked our members how they knew VGCC was the right place for them: these individuals, including myself, who are very happy where they live and would never consider moving anywhere else, will tell you these exact words, 'I knew it the moment I drove through the gates.' Those were precisely the same words the woman used. There is just such a feeling of home driving in.' That's one of the reasons why introducing clients to my own neighborhood is such a special treat."

Lisa Marie shares another practical aspect that makes VGCC such a sought-after place to live. After the major renovation on both its Clubhouse and Fitness Center it is now known as a 'Wellness Center.' The Wellness

Center has been expanded to add new 'spa-like features' for its members and state-of-the-art equipment that will interact with our workout app. It is such an exciting time for VGCC to see these wonderful updates with the changing times in Venice, Florida! With the only true private Country Club, golf course, and tennis club in our city, this member-owned, member-run, financially strong community of 589 lots, all considered single-family homes, remains a Platinum jewel."

Dedicated to her field, Lisa Marie says, "I always felt the real estate business would be a good fit for me and I can honestly say that I love what I

do for a living!" As such, she brings considerable strengths to the Alpha Team, a group of like-minded real estate professionals she has assembled, which now also includes Judy Barry who provides home staging services. Among Lisa's many qualifications, she is a Certified Negotiating Expert (CNE), Certified Condominium Specialist®, Certified New Home Specialist, Residential Construction Certified, and Short Sales & Foreclosure Resource® (SFR) professional, as well as a member of the National Association of Realtors and the local Professional Women's Network. Lisa has also received the 2023 and 2024 Exceptional Realtor Award, Women's Council of Realtors, Englewood on The Gulf.'

Lisa shares, " My clients are not just buyers and sellers, they are friends which is why I am very protective from the beginning of the process to the end and after the closing. I try to ensure that the process is as smooth as possible and all parties are happy."
