From the moment you walk into Lenka Hair Salon, you sense a difference, recognizing a very unique culture. Thriving on diversity, our team represents different age groups and different countries, serving our clients in six languages. Through our individual talents, skill, and education, our mission is dedicated to creating the YOU that you always wanted to be. Using the highest quality products and the newest technology within the inspiring atmosphere of our salon, we make you feel valued, relaxed, and important.

Our stylists always take the time to listen to you. Consultation time is the key for the perfect look to suit your style, personality, and lifestyle.

The French cutting technique we all use derives from the head shape and uses hair to frame the face, resulting in soft, sexy versatile looks with seamless layers. After blow-drying, we artistically customize and texturize your hair to complement your features.

MERCEDES FRASER

Considered one of the best stylists in town, Mercedes was born and raised in the Dominican Republic, and lived in New York City before moving here. Her designs are classy, sleek, sophisticated, and luxurious.

KIPTEN PADEN

Originally from Ohio, Kipten is an ambidextrous hair stylist who creates custom cuts and hair color. He provides all wig services as well as Brazilian blowout, Keratin, and man perms. Kipten is an expert at gentlemen's grooming including ear, nose, and face waxing.

OLGA NOZDRACHEVA

From Moscow, Olga excels in precision cutting for ladies and gentlemen, blonding with foils, American and French Balayage, gray blending (without anyone noticing), permanent waving, and going "gray" seamlessly.

MARIAH GOSTITCHA

A native Floridian, Mariah makes your hair look wonderful in this humidity with a great haircut and the right products. She is a master colorist who is great with highlighting, Balayage, fantasy colors, and root-shadow melts, and is also certified in Brazilian blowout and Keratin.

JADA BECKOM

A Venice native, Jada enjoys cutting pixies, short, long hair and bobs. Jada is very passionate about curly hair as well as ethnic textures. Specializing in blonding, from bleach and tones, highlights, Babylights, Teasylights, Foilyage, and Balayage to root melts, and

natural subtle, settled designs as well as color corrections, fantasy and lived-in colors. Jada also transforms hair from colored to natural gray.

DEBORAH BUEHRER

A former salon owner from Pennsylvania, Deborah is meticulous, precise, and focused on every detail. With her, you will experience calm, never-rushed service. Deborah works with the hair-growths and curl patterns, considering your lifestyle and current trends.

ALI MCMANAMY

From New Jersey, Ali is a multitalented, charming artist with a unique personality, sense of humor, and compassion for people and animals, all brought together with the most beautiful smile. She specializes in ladies and gentlemen's custom cuts, and red colors, and is also certified in Balayage, Brazilian blowout, Keratin, and permanent waving.

KATE YEPIKHIN

Born in Uzbekistan but raised in California, Kate's favorite cuts are long, flowing layers, shags, mullets as well as lobs and blunt or layered bobs. Her passion is coloring, especially highlighting, root-melting and root-shadowing Foilyage, and AirTouch as well as Teasylights and Babylights.
