GULF COAST HOME

Since 1979, we at Rattan Wicker and Cane, have prided ourselves on working with excellent American companies offering high quality furnishings that can make a beautiful statement in your home for many years. Whether it is to replace or add something, furnish a room or an entire home, our knowledgeable staff is ready to greet you warmly with a friendly smile and welcoming hello.

As customers you will always enjoy perusing in our "no pressure" atmosphere while being reassured that when you are ready to ask questions and begin to think about décor choices, our design staff will be on hand to suggest colors, finishes, fabrics, and styles. Our home design consultation is free and always available to you.

Our store has five home décor areas: three are dedicated to interior spaces and two for your outdoor living area. There, you will find furniture of natural materials like bamboo, wicker, seagrass and cane as well as an array of sustainable upholstery fabrics. With warmer weather just around the corner, everyone is beginning to look forward to the outdoors and alfresco dining on the lanai. We offer everything from accessories to an array of furniture that will outfit every room in your home, including your patio and lanai, down to the last detail.

This year, our reputable vendors, Lloyd Flanders, Woodard and Ratana International, who specialize in outdoor furniture, have introduced multiple new styles and fabrics to suit your specific tastes, be it traditional, contemporary or transitional. The choices are endless!

It will be our pleasure to guide you on your personal design journey. We invite you to stop by, browse at your leisure, ask questions and get to know us. Catherine, Kathy, Terri and Diane all look forward to seeing you soon!
